Thursday March 19, 2015 Theoretical Ideas and Thematic Issues

SESSION 1. Setting the Scene 09.00 – 12.30 (Kleine Veerzaal)

What makes innovation ‘responsible’ and how can M&E actively support such processes?

Keynote presentations by Professor Phil Macnaghten and Dr. Irene Guijt followed by plenary discussion.

SESSION 2. Thematic Focus 13.30 – 15.00

Institutional Evolution (Kleine Veerzaal)

Monitoring and evaluation in multilateral development banks. Is gathering lessons learned leading to institutional innovations? Fredrik Korfker (consultant) and Elsa de Morais Sarmento (ADB)

Bridging stakes and converging focus. Are we undertaking M&E for responsible innovation in PPP context? Marlene Roefs and Simone Vugt (CDI)

Shifting mindsets and cultures in complicated partnership based systems (Hoevestein)

Learning Partnerships: Current Realities and Future Prospects. Bethany Davies (Clear Horizon) with Brian Belcher (CIFOR) and Julien Colomer (IUCN)

Results Based Monitoring and Evaluation of Systems Innovation; Case Humidtropics, a CGIAR Research Program. Eric Koper (International Institute of Tropical Agriculture, Nigeria).

Lobby and Advocacy (Room: Pomona 1)

Using M&E of Lobby and Advocacy for Responsible Innovation. Lieke Ruijmschoot (Fair Green Global Alliance) and Karine Godthelp (Context, international)

Oxfam’s Behind the Brands Campaign Yvonne Es and Monique van Zijl (Oxfam-Novib)

When existing M&E approaches prove inadequate (Room: Pomona 2)

A pragmatic approach to measuring, monitoring and evaluating interventions for improved tuberculosis case detection. Lucie Blok and Mirjam Bakker (Royal Tropical Institute)

Evaluating in a context of repetitive discrepancy between espoused and in-use action theories: Lessons from the fishery area of Grand-Popo, Benin Augustin Kouevi (University of Abomey – Calavi)

SESSION 3. Thematic Roundtables 15.30 – 17.00

Innovations in M&E of private sector development interventions (Kleine Veerzaal)

Fredrik Korfker (consultant), Elsa de Morais Sarmento (ADB), with invited panellists including Hans Slegtenhorst (Director Carnegie Consult), Nico Mensink (FMO) and Simone van Vugt (CDI)

Behavioural insights in M&E for responsible innovation (Room: Hoevestein)

Marlene Roefs (CDI/M&E) with invited panellists, including Ruerd Ruben (WUR/LEI), Jan Bade (Ministry of Foreign Affairs/Behavioural Insight Team) and Hilde Bras (WUR/Sociology).

Collective sensemaking to navigate diverse values and needs (Room: Pomona 1-2)

Irene Guijt (Learning by Design) with invited panellists, including Joanna Monaghan (Comic Relief, Guy Sharrock (Catholic Relief Services) and Steff Deprez (VECO).
Friday March 20, 2015  Implications for M&E Practice

SESSION 4. Core Themes 09.15 – 10.45

**Reflexive Capacity**  (Room: Kleine Veerzaal)

The need for reflexive evaluation approaches for systemic change. Marlèn Arkesteijn, Barbara van Mierlo (speaker) and Cees Leeuwis (Wageningen University and Research Centre)

From Aid Deliverer to Reflective Practitioner: Strengthening Evaluative Thinking Capacity  Guy Sharrock (Catholic Relief Service)

**Evaluation Consultants as Change Agents**  (Room: Hoevestein)

The consultant’s perspective: Approaches to evaluation and communication for innovation  Fred Zaal (Royal Tropical Institute)

Can (Evaluation) Consultants be Civic Innovators? Exploring the Shift from Auditors to Allies  Kees Biekart and Sylvia Bergh (Institute of Social Studies)

**Issues of scale**  (Room: Pomona 1)

Evaluation in Latin America: Evaluation for Transparency, Accountability and Democracy  Gabriela Pérez-Yarahuán and Claudia Maldonado Trujillo (CLEAR Centre for Latin America)

Evaluation for Responsible Innovation and Responsible Scaling  Seerp Wigboldus (CDI)

**Risk and Innovation**  (Room: Pomona 2)

Risk-Informed M&E for Responsible Innovation Development  Magda Stepanyan (Risk Society)

SESSION 5. Practical Options - Methodological Workshops 11.15 – 12.45

1. Using SenseMaker as a lightweight qualitative data collection method  Caroline Huyghe (VECO)  (Room: Kleine Veerzaal)

2. Who's Listening? Community-led post-project self-sustainability evaluation  Jindra Cekan (consultant)  (Room: Hoevestein)

3. Citizen Monitoring and Evaluation of Roads in Rural India. Learning’s from an Innovative Pilot Project  Harish Kumar and Medura Poovaiah (Public Affairs Centre)  (Room: Pomona 1)

4. Mobile Phone based M&E for Improving Programme Effectiveness: Issues of Learning and Concerns  Mokhlesur Rahman Sagar ( Practical Action)  (Room: Pomona 2)

SESSION 6. Practical Options - Methodological Workshops 13.30 – 15.00

5. The Potential for Qualitative Comparative Analysis (QCA) in Evaluation - Theory and Practice  Karel Chambille (Hivos), Valerie Pattyn and Astrid Molenveld (Public Governance Institute)  (Room: Kleine Veerzaal)

6. Oxfam's World Citizens Panel: impact evaluation involving key stakeholders to enhance learning  Peter Huisman and Anne Oudes (Oxfam Novib)  (Room: Hoevestein)

7. Using Outcome Mapping Principles and Concepts for Responsible Innovation  Steff Deprez (Outcome Mapping Learning Community)  (Room: Pomona 1)

SESSION 7. Plenary Session to Develop Key Collective Insights  (Room: Kleine Veerzaal)

Co-funded by (see below)
